## Profile

Hi, I'm a Front-End Developer . I started my development 1.5 years ago. In a few months I got the basics in HTML, CSS, JavaScript and React, but I am still learning and improving my skills though. You can visit my own website or check out my various PetProjects in my GitHub profile.

## Skills

- Front-End Developing: React.js, Redux, Next.js
- JavaScript (ES5, ES6)
- HTML, CSS, Tailwind CSS
- Preprocessors: SCSS, SASS
- Tools: npm, yarn, git
- Graphics Editor: Figma, Photoshop
- REST API
- Java basics
- English - Intermediate
